

Skaal

Modern and comfortable. SKAAL's asymmetrical lines bring the final touch to your outdoor oasis.

Materials: Teak Duratek® finish with no maintenance, Italian ceramics, Sunbrella® cushions, Eden Batyline, White wash concrete HPL.

Maintenance: The Duratek® doesn't need maintenance, it can stay outside all year long, just like the Batyline sling chairs. Cushions are water repellent, but need to be stored in winter. It is advisable to clean up the table HPL or ceramic tops after each meal. Do not use abrasive products to clean Duratek®/frames.
